

String	Text	Notes
Name	Morgan	
Descriptor	Witch-in-Training	
Description	A young witch with a lot of potential. She runs her late grandmother's apothecary and delivers remedies to the town.	Morgan is a human witch who lives in a fairly new town.
Intro & Quest Dialogue		
Intro_010	Welcome to Starflower Remedies! I'm Morgan, local witch in—hey, wait a minute.	Introduction
Intro_020	You're... a Keeper, aren't you? You've got that Bramble aura just sparkling off you.	
Intro_030	I knew it! Grandma always said you'd be coming. Please, make yourself at home.	
Quest_01_Greet	Oh, I'm just so behind today...	Quest 1 Start
Quest_01_Prompt	<i>What's wrong?</i>	Player response
Quest_01_010	I just took stock, and I'm short on buglin goo, all out of unitoad horn, and fresh out of florals for sweetpetal tea.	
Quest_01_020	I promised Char some healing tea for their muscle aches... But I don't know if I can make anything at this rate!	
Quest_01_030	You wouldn't mind helping me collect some ingredients, would you?	
Quest_01_Reward_010	You got me the flowers? Keeper, you're amazing! Thank you so much.	Quest 1 Reward
Quest_01_Reward_020	I'll put the kettle on. We're gonna have tea tonight, thanks to you!	
Quest_02_Greet	Hey, Keeper! Um, could I get your help again?	Quest 2 Start
Quest_02_Prompt	<i>What do you need?</i>	Player response
Quest_02_010	Lately, I can't stop thinking about my friend Powell. In a, um, completely casual way.	
Quest_02_020	That dummy is always getting lost out in the woods, without a hint of magic to defend himself. But I can't always be there!	
Quest_02_040	I thought maybe if I build him a glowing beacon to guide him home, I can finally breathe easy. What do you think?	
Player_Response	<i>Sounds good to me.</i>	Player response
Quest_02_050	OK, great! I'm just stuck on this one step... See, Grandma's recipe calls for cyclops eyes.	
Quest_02_060	But roklops and loglops are highly aggressive. How am I going to get those eyes?	
Quest_02_Reward_010		Quest 2 Reward
Quest_02_Turnin	<i>I made the beacon.</i>	Player response
Quest_02_Reward_010	You built this yourself? This is incredible! Thank you so much.	
Quest_02_Reward_020	With this beacon in place, Powell can definitely find his way home. And I can finally sleep again. Phew!	
Quest_03_Greet	Keeper, I've been thinking about something.	Quest 3 Start
Quest_03_Prompt	<i>What is it?</i>	Player response
Quest_03_010	Well, it was just amazing how you ventured into the woods to get those ingredients.	
Quest_03_020	Truthfully, I want to go out and explore, too. There's only so many remedies I can grow in my garden.	
Quest_03_030	Grandma always said there's wild magic in the forest. And I can hear it calling. I've just never been brave enough to go find it.	
Quest_03_040	Do you think you could help me learn to fend for myself out there?	
Quest_03_Turnin	How's this staff?	Quest 3 Reward
Quest_03_Reward_010	This is for me? Keeper... this is beautiful. Thank you. Seriously!	
Quest_03_Reward_020	I can feel the energy buzzing in the wood. I think I'm ready to go explore the forest.	
Quest_04_Greet	Keeper! Remember that journey I mentioned?	Start of Quest 4
Quest_04_Prompt	<i>Tell me everything!</i>	Player response
Quest_04_010	Well, Powell and I went into the forest in search of an adventure.	
Quest_04_020	There, in the heart of the woods, I found a darkwood tree. It felt like it was speaking to me. So I touched it with my staff, and it opened.	
Quest_04_030	Inside, there were scrolls upon scrolls of Grandma's old recipes! I think I was meant to find them.	
Quest_04_Reward_010		Quest 4 Reward
Quest_04_Reward_010	I wanted to thank you again for this staff. I feel like I'm finally ready to take over my grandma's legacy.	
Quest_04_Reward_020	Oh, and I ended up with a bunch more magic eyes! I couldn't help myself, ha. Please, take some if you like.
