****Participants testing for certification MUST attend one session for each day of each topic during one of the time slots offered. No make-up attendance/recordings will be offered. No late registrations will be accepted.****

Pre-Requisites & Requirements

All participants testing for certification must complete the Module 1 self-paced course in TwirLED by **Thursday, February 1, 2024.**

Certification is awarded when a participant passes all sections of the exam at a 70% grade or higher.

Additional course requirements are listed within the course.

Purchasing the WBTF Master Judges Manual, available in TwirLED, is highly recommended for participants wishing to test for certification. The manual contains detailed information on all topics covered as well as access to performance examples. Reviewing the contents of this manual provides excellent preparation for testing.
