

# Family Camp

Fun for everyone!

## About

Located in the beautiful Sierra Nevada foothills near the scenic South Yuba River and Tahoe National Forest, Camp Woolman is a summer camp that embodies values of community, creativity, stewardship, exploration, and simple fun.

Family Camp takes place during the week of July 4th and is an opportunity for families to experience the Woolman Campus, the surrounding area, and enjoy light programming.

Families come to learn, play, make friends, and live in an accepting community where they can truly be themselves. Woolman strives to be a place where everyone experiences radical acceptance for who they are, is treated with dignity and respect, and is surrounded by the physically, mentally, and spiritually healing power of nature.
