COVID PROTOCOLS

We have made changes to the typical summer camp format to reduce the risk from COVID-19. Coaches have been trained to run drills and games that allow for appropriate social distancing and to ensure campers follow appropriate behaviours at all times. We have run without incident since the start of the pandemic and expect to continue this trend.

We are making sure to stay up-to-date on the latest best practices and will implement the recommendations of Public Health, Tennis Canada, and the Ontario Tennis Association. Full day camp will not be offered to prevent kids from needing to congregate at lunch time.

Unionville High Performance Tennis Camp 2023

Develop skills to the highest level!!

“Developing a solid base of technical, tactical, and physical fundamentals allows players to develop without limitations. This is how champions are made!”

High performance Pedigree!

Andy Sutton has over 25 years of experience running tennis camps in the Markham area. He has spent years coaching players who have competed at the highest level provincially, nationally, and internationally.

Andy is a Tennis Canada certified Coach 3 and an Ontario Tennis Association certified Club Professional 3. He is the Head Ontario Coach Developer and in that role is responsible for leading the team that trains the future generation of tennis coaches in the province. He has also spent time teaching in the Provincial Training Regroupings at Tennis Canada.

Andy and his dedicated staff work to develop technical, tactical, physical, and psychological skills so players maximize their game in match situations. We ensure young players to have a full set of skills to become future champions.

Camp Details

Q: What is covered during each session?

A: Players work on developing fundamental movement and racquet skills that will allow for a solid technical base. They also work on gaining a tactical understanding of the game that will be built upon as they get older.

Q: How much time is spent on the court each day?

A: We spend the entire session on the court. Physical development is done on the court in a way that replicates the movements needed to play at a high level. We give a 10 minute break half way through the session for a snack.

Q: How many are in a group?

A: We have a hard cap of 4 players per regulation court to allow training volume to be maximized. Red ball players will have a max of 2 players per red court.

Q: What do campers need to bring?

A: Tennis clothes, court shoes, a hat, sunscreen, a water bottle, skipping rope, and their racquets. A change of clothes is needed for hot days.

Q: Who teaches the kids?

A: All coaches are Tennis Canada certified and have been trained by Andy Sutton in the courses that he leads.

Q: What happens when it rains?

A: Camp will be cancelled for the day and make-up time or refunds will be arranged.
