Family Profile

Mission & Vision

What We Offer

Jeff

Is an evangelist, teacher, and encourager. He was saved at age 18 during a service at his home church.

Phoebe

Cares for our family and the ministry. She grew up in a missionary family in Germany and was saved at age 4.

Rey

Is a flexible and bright addition to our family and ministry. She is very social with all those we meet.

As a family, we have been called to serve Jesus Christ among the nations! We are committed to our Lord, our family, and our ministry.

We pray that the Lord will use us to bring many to the knowledge of the truth!

We seek to impact, inspire, and ignite a movement of evangelism on the European continent.

We envision a fully-equipped network of evangelists, advancing the clear gospel of Christ to the spiritually lost in Germany and Greater Europe.

Strategic Action Plan

Equipping the Church

Primarily, our focus is building up the local church in evangelism. This is accomplished through training seminars and hands-on outreach experiences that we organize.

Assisting Organizations

Additionally, we offer training and outreach opportunities to other mission agencies, Bible schools, and ministries such as Christian camps.

Building a Network

Finally, we are working hard to build a network of Gospel-advancing ministries and individuals. These are the key people helping others reach the lost for Christ throughout Europe.

Word to the World Seminar

We use a comprehensive evangelism curriculum that helps believers to prepare for spiritual battle, share the Gospel accurately, and multiply disciples.

Gospel Literature

We supply the "Five Facts" tract which has been distributed to thousands of lost people and has pointed many to Jesus. We seek for this resource to be translated into all major European Languages.

Open-air Evangelism

We aim to give a weekly outreach experience to those with whom we work. We help believers gain the supplies they need to witness effectively in and out of the open air.

What We Need

As a faith-supported ministry, we depend solely on the donations of God's people to accomplish His calling.
