

AMKA: Atlantic Motorsport Karters Association

@ Kartbahn

The future of Driving is here now with AMKA at the newly built outdoor Kartbahn track, located at the Halifax Exhibition Center. Our 10 race summer series is guaranteed to thrill and impress all who come and join in the fun. Racing starts at 8 years old and has classes for all ages!

RACING FOR FUN, FRIENDSHIP AND THE FINISH LINE is our motto. Our goal is to develop all of our racers into skilled, respectful drivers who can compete regionally, nationally and internationally. Accomplishing that goal helps our younger drivers develop into community members we'll all be proud of.

Sponsorship plays an important role in keeping costs down and enables more families to become involved. Contact us at directors@amka.ca if you'd like to become part of the family and help us make this season an unqualified success.

Stay tuned to www.AMKAc.ca for more exciting announcements as our Series develops!
