December 20, 2022

To: NCSA Member School
Subject: NCSA Graduate Scholarship

Dear NCSA Counselors,

York University is pleased to offer the NCSA Scholarship for graduates of all NCSA member schools. There’s no application or essay to complete in order to receive this award. Students must submit a final transcript upon graduation from your NCSA school and meet the acceptance criteria for York University.

This scholarship is currently $4,300 per academic year and renewable each year up to 5 years. This is not a stackable scholarship, rather a guaranteed amount to NCSA graduates. Academic, Athletic and Performance scholarships are available to NCSA students and may supersede the NCSA scholarship should the amount exceed the $4,300. It will be up to the student to decide which awards benefit their financial situation best.

Included in this packet are several flyers promoting this fantastic scholarship opportunity for NCSA students. Please post them around your school to help get the word out to your students that they have $4,300 in scholarships waiting to be claimed at York University just for being an NCSA graduate!

For more information about this scholarship and other awards available at York University, please don’t hesitate to contact myself or our Financial Aid Director, Brien Alley at balley@york.edu.

About York University

York University is a four-year Christian liberal arts college in York, Nebraska. Founded in 1890, its mission is to transform lives through Christ-centered education and to equip students for lifelong service to God, family and society. York University offers more than 25 majors and is accredited by the Higher Learning Commission. York University has 16 competitive athletic programs and offers rich extra-curricular opportunities that allow students to follow their passions and discover new ones along the way.
