

GAIL ZAHTZ

Enabling your shift to value.

# Be the Bridge

## Keynote Speaker, Workshops, In-Residence Value-Based-Healthcare Expert

7 years ago Gail Zahtz was blind. in an electric wheelchair, living in a nursing home basement. Today she inspires audiences with “home-grown” authenticity and candor. Drawing from her own experiences and her expertise in value based healthcare, she guides audiences to identifying and using their innate strengths to overcome challenges in all parts of life. Gail enables audiences to understand complex, must-know healthcare business information woven around compelling personal stories.
