# DAILY TOUR ACTIVITIES

## DAY 1 — 11 NOV 2023

### Welcome to Las Vegas!

Check in to your 5-star hotel and rest up after your long flight. In the evening you'll enjoy meeting your fellow tour members over a welcome dinner in one of Las Vegas' finest restaurants.

## DAY 2 — 12 NOV 2023

### MSG Sphere overview

At 366 feet tall and 516 feet wide, it's billed as the world's largest spherical structure. Its bowl-shaped theater contains the world's highest-resolution wraparound LED screen and its exterior is fitted with another 1.2 million hockey puck-sized LEDs.

Built at a cost of US\$2.3b and seating 18,000 spectators, Sphere promises next-level audio as well. There is more than 160,000 speakers spread around the bowl delivering the same pristine sound to every seat, whether someone is in the top row or down on the floor.

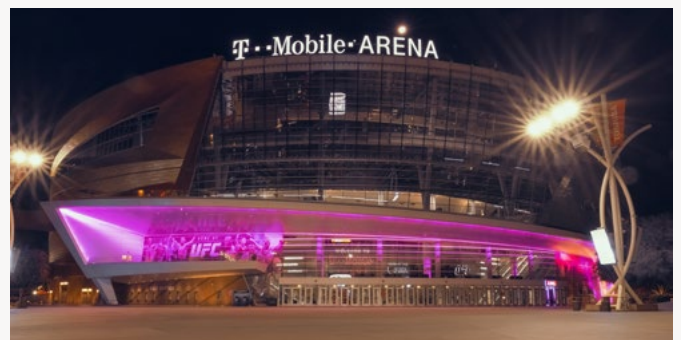

The venue is also equipped with haptic seats that can vibrate to match whatever is happening on screen – an earthquake, for example – and 4D machines that can create wind, temperature and even scent effects.

### Day 2 – continued

**Postcard from Earth:** A Sphere Experience, is the very first show created to take full advantage of the 22nd century technology inside Sphere. It's going to be out of this world.

To conclude the day, we will take in the full Sunday night football experience at Allegiant Stadium watching the Raiders take on the Jets.

### ➔ NFL Event: Raiders vs. Jets

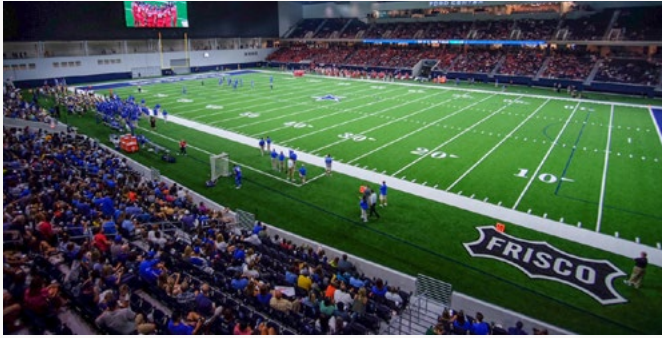

## DAY 3 — 13 NOV 2023

### T-Mobile Arena overview:

T-Mobile Arena is 'the' destination in Las Vegas for live events. From amazing music acts to thrilling sporting events, it sets a new standard for what entertainment means in the city that does it best. The 20,000-seat T-Mobile Arena hosts exciting, world-class events with something for everyone – from UFC, boxing, hockey, basketball and bull riding to high-profile awards shows and top-name concerts.

### Allegiant Stadium overview:

Allegiant stadium is 65,000-seat stadium features 127 suites and 8,000 club seats spread out over ten levels of seating. One of its most important features is a transparent ETFE roof, which allows spectators to escape the oppressively hot temperatures Las Vegas can experience throughout the year.

## DAY 4 — 14 NOV 2023

### The Star overview:

Explore the Cowboys state of the art 12,000 seat training centre, shops, dining, fitness centre, 17 story luxury residential tower, event activation plaza and 300 room Omni Hotel.

While we are in the heart of Texas, we will enjoy the NHL's Dallas Stars versus the Arizona Coyotes at the HKS Architecture designed American Airlines (AA) Center.

### AT&T Stadium overview:

AT&T Stadium is one of the most expensive sports venues ever built. Final construction costs totalled about \$1.2 billion, and everywhere you turn, you will notice the level of detail and luxury that went into creating this world-class stadium.

As soon as you walk in, you will be greeted by two 300-foot steel arches spanning the length of the stadium dome. No matter where you are, you will be able to watch the game on one of the 3,000 LCD displays, including the luxury suites, concourses, and concession areas.

### The AA Center overview:

AA Center is also the home of the Dallas Mavericks and displays its unique versatility with its retractable seating transforming from a 20,000 seat basketball arena into an up-close action-heavy 18,532 seat hockey rink. On the forefront of technology, American Airlines Center features (4) 1080 HD Centerhung video screens, as well as two massive video boards at each upper end, and an audio system with surround sound capabilities.

### ➡ NHL Event: Dallas vs. Arizona

## DAY 5 — 15 NOV 2023

### Globe Life Field overview:

Completed in 2020, a feature of Globe Life Field is its retractable roof allowing for a more comfortable spectator experience during the hot Texas summers.

**Travel to Des Moines:** In what will surely be a highlight of the tour, mid-afternoon we will board our title sponsor's luxury private jet and take the short flight to Des Moines, Iowa where Musco Lighting will host a dinner to conclude the day.

## DAY 6 — 16 NOV 2023

### Musco Lighting overview:

Des Moines is where you will see Musco's driver factory which started operations in 2019 and is where Musco manufactures their own drivers. The R & D team in Des Moines have extensive electrical and electronics experience focusing on a critical part of the system that's essential to the long-term sustainability of lighting solutions.

From Des Moines we will take a short ride to visit the main Musco factory in Muscatine where you will see all parts and features of the lighting system that are manufactured at the plant including the factory aimed light fixtures, pre-wired driver enclosures, wire harnesses and control link system.

## DAY 7 — 17 NOV 2023

### Chase Center overview:

Completed in 2019 at a cost of US\$1.4b, Chase Center is set on the waterfront at Mission Bay. Chase Center is the home of the NBA's Golden State Warriors, can seat over 18,000 fans and has the largest LED screen in the NBA. Here we will go behind the scenes and study all the key features of the arena and more.

## DAY 8 — 18 NOV 2023

### Crypto.com Arena overview:

As the home of four professional sports franchises, the NBA's Los Angeles Lakers and Los Angeles Clippers, the NHL's Los Angeles Kings, and the WNBA's Los Angeles Sparks.

Crypto.com Arena has proven to be a home court advantage for the local teams with the Lakers capturing six NBA Championships and the Kings winning two Stanley Cup titles since 1999, while the Sparks captured back-to-back WNBA Championships in their first two Crypto.com Arena campaigns and brought home their third WNBA Championship in 2016.

➔ **NHL Event: Los Angeles vs. St Louis**

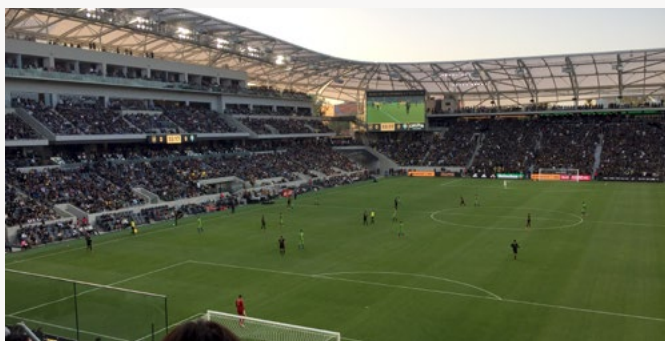

## DAY 9 — 19 NOV 2023

### SoFi Stadium overview:

SoFi Stadium is an unprecedented and unparalleled sports and entertainment destination built by Los Angeles Rams Owner/Chairman E. Stanley Kroenke. It is the first indoor-outdoor stadium to be constructed and is the home of the Los Angeles Chargers and the Los Angeles Rams.

This state-of-the-art stadium re-imagines the fan experience and hosts a variety of events year round including Super Bowl LVI in 2022, the College Football Championship Game in 2023, and the Opening and Closing Ceremonies of the Olympic Games in 2028. The stadium is the centerpiece of a 298-acre mixed-use development featuring retail, commercial office space, a hotel, residential units, and outdoor park spaces.

➔ **NFL event: Rams vs. Seahawks**

## DAY 10 — 20 NOV 2023

### BMO Stadium overview:

As a soccer stadium, BMO stadium offers an important point of difference to the other stadiums visited on the tour. The 22,000 capacity open air stadium was built at a cost of US\$350m and was opened in 2018.

**\*If the 2023–2024 NBA schedule aligns with our travel dates, we will endeavour to include an NBA match in San Francisco or Los Angeles in lieu of the second NHL Game.**
