Landscape Architect – with horticultural focus  
(3 years+ professional experience)

Gustafson Porter + Bowman is looking for a Landscape Architect with at least three years’ professional experience and demonstrable horticultural interest and expertise to join our friendly, hard-working, and collaborative team.

We are an award-winning leading landscape architecture practice which has received public acclaim for creating engaging and beautiful spaces around the world.

Landscape Architects at our Practice undertake the full scope of landscape architecture duties on their projects and are involved from inception to completion. Supported and guided by senior colleagues and a partner, they work on design, planting, detailing, as well as supporting cost estimating, preparation of contract and tender documentation, tendering and administration of contracts and all works on site to completion.

This appointment is for someone who is particularly interested in planting design and wishes to develop this as their area of expertise. Applications from Senior Landscape Architects (requiring 5 years+ professional experience, including small to medium project management) will also be considered.

Applicants should have the following skills and experience

- at least three years’ post-graduate experience, with good experience in all stages of design
- an interest in plants and planting design, together with a demonstrable knowledge of temperate horticultural plants
- accomplished design skills, including planting design, with the ability to communicate coherent and well-resolved ideas clearly
- proficiency in all relevant software packages (AutoCAD, Adobe Creative Suite, Office 365). Revit skills an advantage
- good English language skills, both written and spoken
- Landscape Institute Pathway to Chartership desirable
- ambition, talent, and a desire to develop into a strong and well-rounded landscape architect
- confidence in liaising with clients, contractors and other professionals, and the ability to develop strong relationships with them
- commitment to diversity and equality of opportunity in all working practices
- a team player approach, willing to assist others, and to share and contribute to the learning outcomes of the whole practice

In return, we offer a collaborative, stimulating and inspiring working environment from our studio near Camden Town in London, with a regular CPD schedule throughout the year, design review sessions, and the opportunity to work on prestigious projects in the UK and worldwide, ensuring an extensive and diverse career experience. We offer all our staff hybrid working, an enhanced company pension, annual training allowances, financial support and study leave for advancing professional qualifications, a cycle scheme and tech scheme, and an active social calendar.

**Closing date for applications:** Friday 22 September 2023

**Start date:** ASAP

**Salary:** dependent on experience
How to apply: please send your CV, cover letter including salary expectations, notice period and work permit status as applicable, and portfolio (not more than 8MB) to recruitment@gpb.com.

Gustafson Porter + Bowman is an Equal Opportunities Employer and committed to a policy of treating its employees and applicants equally. No person shall receive less favourable treatment or consideration on the grounds of race, religion, nationality, ethnic origin, sexuality, disability, social class or marital status.

No agencies please.

Please note we are only able to respond to shortlisted candidates.
