

(sent on behalf of Wyatt Hoch, Chair) Board of Trustees Update

Tue 3/28/2023 11:35 AM

Good morning,

I was asked to relay the following update.

March 28, 2023

The Northern Seminary Board of Trustees (which includes a current Northern student) met for more than 2 hours on Monday evening as part of our responsibility to govern the Seminary through this season of uncertainty. We want you to know the Board:

- authorized the Acting and/or Interim President to engage, as expeditiously as possible, a counselor to help students, faculty, and staff process emotions and anxiety, provide feedback and support, clarify misunderstandings, and provide comments to the Board;*
- asked the Trustee Activity and Governance Committee to review the Northern Bylaws and Handbooks to address issues identified in the course of the recent investigation; and*
- took actions to facilitate the on-going, day-to-day financial and operational needs of the Seminary.*

We prayerfully ask for your continued patience as we move forward.

*Together in Christ,
Wyatt Hoch, Board Chair*

Very best,
