

Fall Youth Retreat 2022

**DON'T JUST
STAND THERE...
BUILD SOMETHING!**

"Let us build... because we have sought the Lord our God." [2 Chronicles 14:7](#)

Don't just stand there... Build something!

Session 1 Workshop Questions

The time has come

1. Foundations are important. Read Psalm 11:1-4 and discuss how that passage could be linked with the days of Zerubbabel.

2. What principles in these verses would encourage us not to give up what we have started?
Genesis 26:19-22 Luke 9:62 Colossians 4:17

3. Ezekiel the prophet began his ministry about 55 years before the time of Ezra 1. What are some similarities between Ezekiel 2:1-5 and Ezra 5:1-2? And what do those passages tell us about the Word of God?

4. Timing is often a matter of perspective. How would 1 Corinthians 7:29-31 guide us in the same way the prophets guided the people (compare Haggai 1:3-5)?

Don't just stand there... Build something!

Session 2 Workshop Questions

The burdens of building

1. Nehemiah was surely a man for his times. Identify one or two men and one or two women in the Scriptures who cared about the people the way Nehemiah did.
2. Work for the Lord will always be challenged by the work of the enemy. Make some connections between Nehemiah 4 and 2 Samuel 5:17-21.
3. Read Psalm 127:1-2. Identify at least three principles that would encourage Nehemiah and the people with him.
4. Building is hard! How would these passages from the life and writings of Paul help us to prepare for the challenges of building?
2 Corinthians 11:27-29 Galatians 4:9-11, 19-20 Colossians 1:28-29

Don't just stand there... Build something!

Session 3 Workshop Questions

Take heed how you build

1. Here are some other "take heed" verses. How are they related to the subject of poor workmanship in building? Matthew 6:1 1 Corinthians 8:9 Galatians 5:15

2. In what ways would Ecclesiastes 10:18 be a companion verse to 1 Corinthians 3:12-14?

3. It's possible to preach to others but then become disqualified for service (1 Corinthians 9:27). Discuss two or three biblical examples of people who started well but finished poorly.

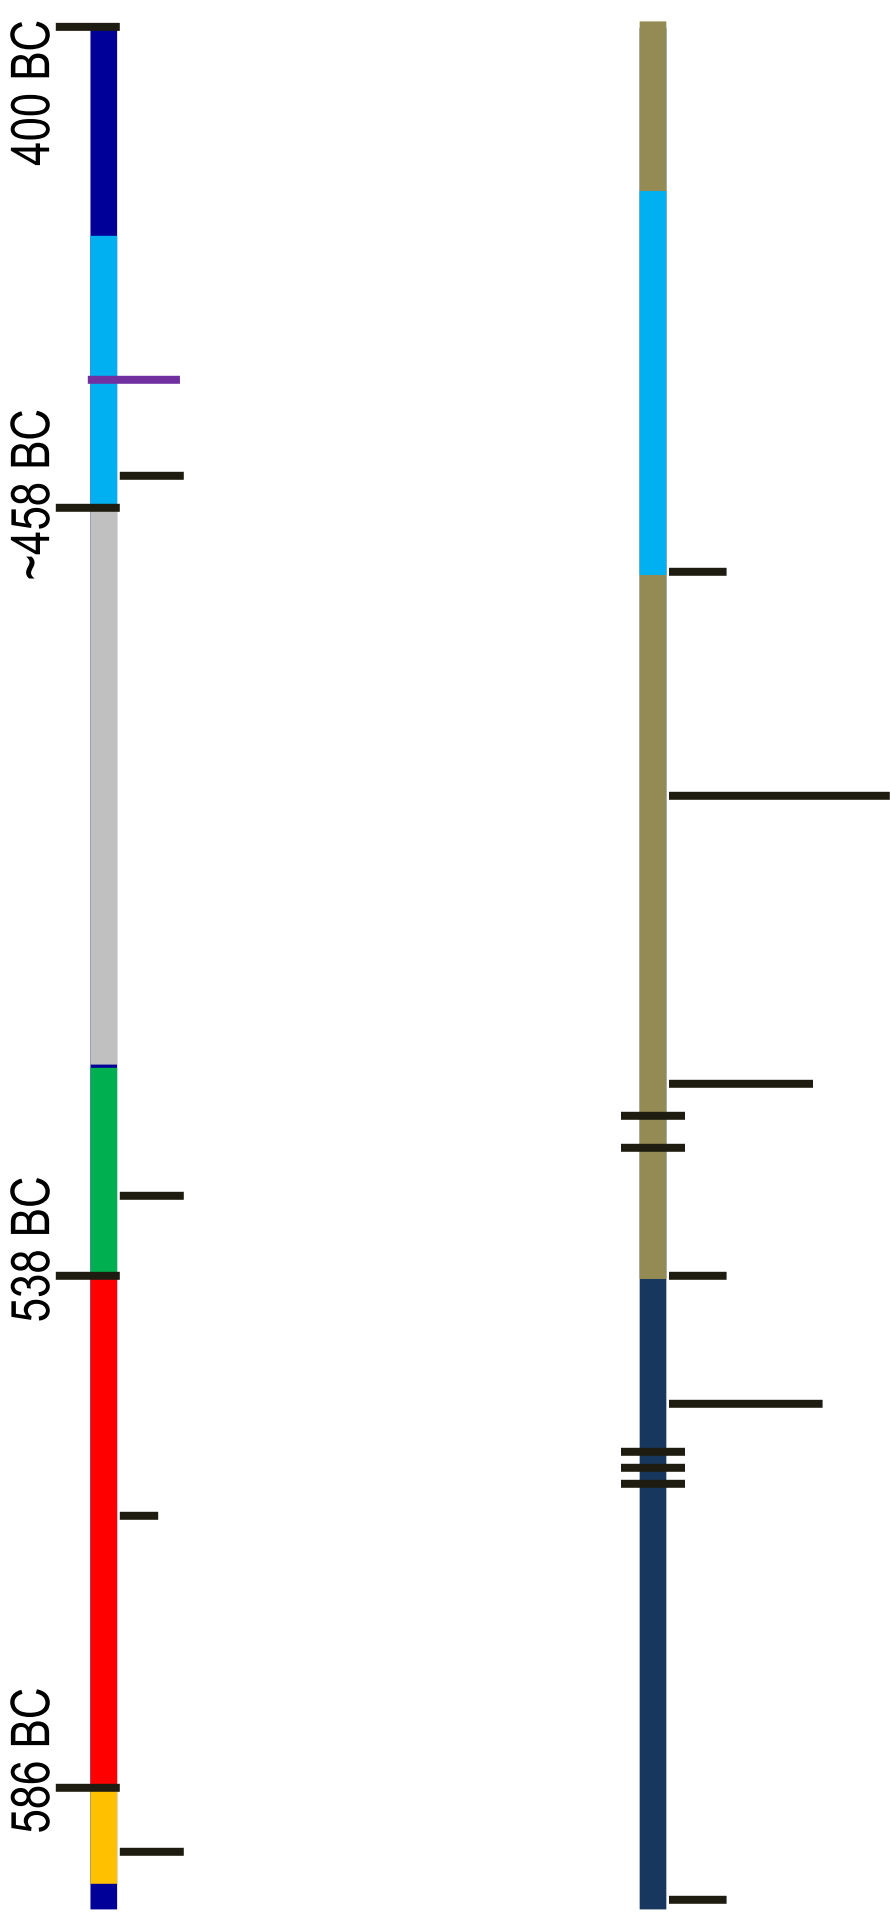

4. Read Acts 20:17-24. Identify some of the principles which guided Paul in his building efforts. How are they related to verse 32?
