

## Fill a Bag for Basin & Towel

*What began as First's 2021 Lenten Mission Project, Basin & Towel Community Ministry was created to help local families who are struggling to afford everyday necessities.*

*Again this year, our Lenten Mission Project will be to fill a bag for a neighbor in need. Whether you choose to do this individually, as a family/group, fill one bag, or fill many - your service to this mission will go a long way right here in our community.*

*Please bring your completed bag to worship on Palm Sunday, March 24, when we will place them around the cross for a blessing.*

**Please include in your bag full-sizes of the following items:**

- **Shampoo & Conditioner,**
- **Body Wash (men's & women's)**
- **Body Lotion (men's & women's)**
- **Liquid Dish Wash**
- **Liquid Laundry Detergent**
- **4-pack of Toilet Paper**
