## featured wines

**Old World Heritage:** Explore wines that have generations of farming & winemaking practices in each bottle. Two classic wines from classic wine growing regions are a match made in heaven for Luna Red flavors. Just try it.

### **Muga, Blanco**

*Rioja, Spain 2021*

A family owned winery since 1932, the Muga Blanco blends classic spanish white vareties of Viura, Garnacha Blanca and Malvasia de Rioja. This combination offers strikingly intense nose of white flowers like jasmine, together with notes of citrus fruit and apple peel. The flavors boasts minerality and freshness which develops into a lively, crisp finish.

This effect makes this wine a great pairing with our ceviches, rockfish tacos and paellas.

### **Domaine Fouet 'L'amarante', Cabernet Franc**

*Loire Valley, France 2022*

Another old family winery backed by six generations of farming in the Loire Valley of France. They are certified organic in their practices which they feel breathe freshness into their fruit with aromas of violets and lavender, blueberries and plums. The earthy notes of dried herbs, anise and leather make this a great glass of wine to pair with a savory saffron rice paella, duck tacos or cassoulette.
