Job description
Overnight Crisis Intervention Specialist – Full-Time

Center for Community Resources
State College, PA

❖ WANT TO WORK FOR AN AGENCY THAT'S BEEN VOTED BEST PLACES TO WORK FOR 7 CONSECUTIVE YEARS WITH COMPETITIVE BENEFITS AND SALARY?
❖ WANT TO GROW YOUR EDUCATION AND KNOWLEDGE AROUND RESOURCES AND MENTAL HEALTH SERVICES IN CENTRE COUNTY?
❖ LOOKING FOR A JOB THAT IS NOT A STANDARD 9-5?

Center for Community Resources Centre County Crisis Intervention Services is looking for a compassionate mental health professional. Crisis Intervention services include telephone, walk in and mobile assessment, crisis counseling, conflict resolution, referral and linking to community resources. Work in a supportive team environment while helping people access mental health/drug and alcohol services in Centre County.

CCR’s mission is connecting people to services. And, that’s exactly what you’ll be doing in this role. Here, you’ll appreciate the support and camaraderie of a local team as you provide the community with care and support that will improve their mental health and well-being.

This is a very rewarding position that can develop into a long-term career. At CCR, there are lots of opportunities for career development. It is a great way to improve your skills and education.

The primary hours for this position is overnights. The starting salary is $18.00/hr and an additional $1.50 shift differential for time worked Midnight – 8:00AM. Crisis Counselors can work on call to respond to the community. The On-Call hourly rate is $23.00/hr and we pay a stipend of $300.00 per week when covering on call for one full week. This gives you an opportunity to pick a schedule that best suits your needs/lifestyle. This creates a great work-life balance. However, you must be flexible to work weekends. Speaking of work-life balance, please check out our great benefits listed below.

We offer (to start) 20 days of PTO a year!

Qualifications:

- Bachelor’s degree in Human Services or related field. With major course work in sociology, social work, psychology, gerontology, history, criminal justice, nursing, counseling, education, theology, political science or related field AND one year experience in mental health field required.

- Associates degree in psychology/sociology or related field plus 2 years direct mental health experience.

Valid driver’s license, proof of auto insurance, Act 33/34 and FBI clearances will be required. Individuals who have accessed human services are encouraged to apply. EOE/ADA
