**When it comes to serving in the church, Rob suggested that we need to get:**

1. Our Perspective Set: When you think of serving in the church, do you think of it as an obligation or an invitation? Something you have to do, or something you get to do?
2. Our Hearts Set: What is the difference between serving someone out of duty or out of love? Why is it important that serving flows from our hearts?
3. Our Minds Set: What are some of the false/self-serving motives we have for serving/volunteering?
4. Our Priorities Set: Do you have room in your schedule to serve in the church? Are you willing to let God mess with your plans?

**How is Jesus an example of servanthood? Do we fully appreciate the way that Jesus prioritized, served, and sacrificed himself for us?**
