Wilkerson
LEADERSHIP THAT LISTENS

I'm running for Spokane Council President. And I'm asking you to join me.

Join us March 10th for our
official announcement!

Because Spokane deserves leadership that listens.
Because I can build bridges across our community and find solutions that work for all.
Because together, we can ensure Spokane is an inclusive city that cares for our own,
and a vibrant and affordable city that retains our best and brightest.

So I'm reaching out today to ask if you'll join me in this campaign for progress.
Our campaign will be funded by grassroots supporters like you. But we'll be up against the
same corporate special interests that spend hundreds of thousands of dollars to smear
our candidates and try to buy our elections.

That's why I'm asking you early if you'll become a Founding Donor and chip in today.
We've set a goal to raise \$50,000 within the end of the month to start out strong.
**Whether it's \$25, \$100, \$500, \$1,000, or \$2,000 (the legal limit), your generous
contribution will help pay for staff, connect with voters, and win this election!**

I think you'll agree: We have serious challenges facing Spokane — but incredible room for
potential. If we win this race, preserve the Council majority, and help Lisa Brown win her
race for Mayor, we can create Spokane's first-ever progressive trifecta. We can enact our
values and pass our policies in full force. Plus, I'd serve the honor of being Spokane's first
female and first person of color elected as Council President.

So I'm asking if you'll join our campaign and help make history with us. Will you chip in today?

I appreciate the support, and can't wait to embark on this journey with this city we love.
