Please inform your waiter if you have a food allergy or intolerance before you order your meal. As we work with nuts there may be traces through all our dishes. The food standards agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Burgers cooked rare and medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked throughout to reduce that risk. We have to recommend that all burgers are cooked well done. A discretionary 12.5% service charge will be added to your bill.
