Jeff Crank, AFP lobbyist & Vice-President, said it was "courageous" to oppose President Trump and endorse Nikki Haley on December 18th, 2023.

Americans for Prosperity (AFP) is an open-border and "Never-Trump" organization that is actively working to harm President Donald J. Trump... even if it means helping Joe Biden win.

---

AFP raised, and promised to spend, at least \$70 million against President Trump to help support globalist and open-border candidate Nikki Haley.

Despite Nikki Haley losing every primary to date, AFP is vowing to still support Nikki Haley as she keeps up her attacks against President Trump, even though it's only helping radical Democrats and Joe Biden at this point.

In an email disclosed yesterday, AFP said it, "stands firm behind our endorsement for Nikki Haley." They further said it would "do irreparable damage to the country" if "Donald Trump is at the top of the Republican ticket."

On December 18, 2023, AFP's very own lobbyist and Vice-President, Jeff Crank, gave a full throttled defense of AFP's decision to oppose President Trump while going all in for their preferred open-border candidate Nikki Haley.

(You can watch his video to see for yourself by clicking the buttons below or above.)

**Jeff Crank:** *"It took courage to do it [oppose Trump and endorse Haley] from the very beginning, and I applaud that courage to do it and there's a lot of work to be done."* **(39 min & 20 sec mark)**

The Colorado Republican Party is urging you not to be fooled by Americans for Prosperity, even as their very own lobbyist and Vice-President, Jeff Crank, starts to backtrack and falsely claim he didn't say what's clearly on video that you can watch with your own eyes.

AFP, and their lobbyist anti-Trump employees, like Jeff Crank, may claim to want to defeat Joe Biden but their continued support of Nikki Haley's failed "Never-Trump" campaign shows their hypocrisy.

**We, as Republicans, need to unite around President Donald J. Trump despite AFP, and Jeff Crank's, efforts to support Nikki Haley, which is only wasting time, energy, and money for Trump's campaign.**

---

So what can we do to starting unifying and focusing our efforts against Joe Biden?

- First, don't listen to "Never-Trump" Americans for Prosperity or their "used car salesman" pitchman, Jeff Crank.
- Second, don't give AFP or Jeff Crank your money or contact information. AFP will likely sell/share your information to other anti-Trump efforts that will help Nikki Haley and their preferred open-border candidates across the country.
- Third, donate to President Donald J. Trump's campaign for re-election, and volunteer with their campaign or the Colorado Republican Party who will be working closely with them.

Together, we can overcome the "Never-Trump" phony hypocrites like Americans for Prosperity and their sell-out lobbyists like Jeff Crank.

We appreciate your continued support for President Trump and the Colorado Republican Party as we work together to defeat Joe Biden and take back the White House in 2024.

Respectfully,  
The Colorado Republican Party

P.S. Be sure to watch this video, above or below, before they take it down as Haley's campaign comes to a slow and painful end.

And ask anyone with Americans for Prosperity, like Jeff Crank, why you should believe or help them as they work to undermine President Trump and his re-election efforts.
