DAY 30

Protection Overall

Every radical move of God in history has been preceded by prayer. Each week within the paddocks, there are thousands of people working in incredibly tough conditions, high stress and pressure, on the road over 100 + days a year, and spiritually impoverished. This creates not only a tough environment at the track but drastically impacts the families back home.

INDYCAR Ministry believes wholeheartedly that the solution is the Hope of Jesus through the power of prayer. Please join us in praying for the various people in the paddock over the next 30 days.

12:12

Set an alarm at 12:12pm every day and join us as one to lift each of the areas up in prayer

PRAY FOR:

Unity among co-workers

Peace and protection

Those who don't know Jesus to be open

Those who do, to hold strong and reflect Jesus

Safety

Energy to sustain the season

HEBREWS 12:1-2

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God.
