

Eastern Madera County Art Banner Project Sponsor Invite

The Eastern Madera County Foundation's Beautification Committee is proud to launch the first annual Eastern Madera County Art Banner Project.

As of April 1, 2024, the Eastern Madera County Foundation will be giving out light-pole banners to be painted by local artists and hung throughout the community commercial cores in Oakhurst, North Fork, Coarsegold and Bass Lake. One side of the banner will be the Artist painting and the other will have a "Welcome To" message with Sponsor information along the bottom.

We are excited to provide this great opportunity to get exposure for our abundance of local artistic talent and bring it out in the visitor and pedestrian view to help enhance our commercial districts' cultural and artistic character. The project has been a huge success in other communities as it provides focused and cultural exposure to the business districts.

The banners will hang from May 22 through October at which time they will be auctioned off to raise money for further beautification projects.

Our group of volunteers are seeking sponsors for each Art Banner. Please join us!!
