Abstract

The Drafting Committee was constituted by the GAPSA General Assembly on March 15, 2023. This report was prepared over the summer and fall, incorporating the previous report of the Drafting Committee, GA/C.D/44/M/3, recommended amendments to the GAPSA Constitution discovered upon the committee’s work compiling the most recently adopted set of amendments, and memorialization of changes to the budget process. This Bill is the second part of three of the committee’s report.

These constitutional amendments refine budget reallocation rules, clarify the scope of the sunshine policy, require two Readings for all Bills without exception, modify the schedule for elections, prohibit members of the Executive Board from being Speaker, regulate the appointment of Deputy Directors, and refine Bylaws authorization and amendment.

This Bill also proposes changes which refine budget authorization rules and implement ticketing rules.
