The Opportunity

A chance to support and make a difference in a rescues journey

Passion for Paws is excited to partner with Volvo Laval for our "Dog-ust" fundraiser on August 24th, aimed at supporting our dog rescue and rehoming efforts. We are inviting sponsors to join us in raising funds for emergency rescues, where your brand will be prominently featured at the event, across social media, and in all our promotional activities. This is a meaningful opportunity to showcase your commitment to animal welfare and community support while helping us save more lives.

This upcoming event aims to raise crucial funds to bridge that gap and support our emergency rescues more effectively
