

CCD Dispatch Climate Index - Variable Categories	
Variable	Category
Life Expectancy	Social Cohesion and Health
Self-Reported Physical Health	Social Cohesion and Health
Self-Reported Mental Health	Social Cohesion and Health
Drug Overdose Deaths per 100,000 People	Social Cohesion and Health
Alcohol Abuse	Social Cohesion and Health
Suicide Rates	Social Cohesion and Health
Current Adult Asthma	Social Cohesion and Health
Cancer	Social Cohesion and Health
High Blood Pressure	Social Cohesion and Health
COVID-19 Deaths	Social Cohesion and Health
Covid-19 Vaccination Rates	Social Cohesion and Health
Unemployed	Economic and Geographic Features
No High School Diploma	Social Cohesion and Health
Homicide Rate	Social Cohesion and Health
Civic and Social Organizations	Social Cohesion and Health
Homeless Population	Social Cohesion and Health
Flooding risk to roads	Climate Risk Factors
Bridge Quality and Maintenance	Economic and Geographic Features
Walkability	Economic and Geographic Features
Bikability	Economic and Geographic Features
Residential Energy Cost Burden	Economic and Geographic Features
Voter Turnout 2020	Social Cohesion and Health
Public Library Locations	Economic and Geographic Features
National Transportation Noise Map	Economic and Geographic Features
Risk-Screening Environmental Indicators (RSEI)	Economic and Geographic Features
Black Carbon	Economic and Geographic Features
Stream Toxicity Risk-Screening Environmental Indicators (RSEI)	Economic and Geographic Features
Hazardous Waste Management Facilities (TSDFs)	Economic and Geographic Features
Risk Management Plan Facilities	Economic and Geographic Features
Annual PM2.5 concentrations	Climate Risk Factors
Parks and Greenspace	Economic and Geographic Features
Temperature-related mortality	Climate Risk Factors
Deaths from climate disasters	Climate Risk Factors
FEMA Hazard Mitigation Grants	Economic and Geographic Features
Flooding risk to properties	Climate Risk Factors
Wildfire risk to properties	Climate Risk Factors
Cost of climate disasters	Economic and Geographic Features
Expected Annual Loss - Building Value	Economic and Geographic Features
Residential Energy Expenditures (% change)	Economic and Geographic Features
Property Crimes (% change)	Social Cohesion and Health
Violent Crimes (% change)	Social Cohesion and Health
Days with maximum temperature above 35 C	Climate Risk Factors
Days with maximum temperature above 40C	Climate Risk Factors
Drought - Annualized Frequency	Climate Risk Factors
Wildfire - Annualized Frequency	Climate Risk Factors
Surface PM2.5	Climate Risk Factors
Standardized Precip Index	Climate Risk Factors
Total Precipitation	Climate Risk Factors
Coastal Flooding - Annualized Frequency	Climate Risk Factors
Riverine Flooding - Annualized Frequency	Climate Risk Factors
Sea Level Rise	Climate Risk Factors
Hurricane - Annualized Frequency	Climate Risk Factors
Tornado - Annualized Frequency	Climate Risk Factors
