

3/3rds DMG PROCESS

Reminder: the purpose of this group is for you to eventually do this with someone else. If you are meeting with more than one person, estimated time will increase.

LOOKING BACK

- Share your highs and lows.
- Discuss ways you saw God moving or working in your or someone else's life this week.
- Who did you share scripture with or invite to this group this past week? How did it go?

LOOKING UP

Answer the following question for each scripture you read this week.

- Is there anything from this passage that is difficult to understand?
- What stands out to you?
- What does the scripture tell us about God's character and people's character?

LOOKING FORWARD

Spend quiet time with God. Turn on some instrumental worship and ask Him the following questions:

- What do you want me to take away from this passage? Is there a:
 - Promise to believe?
 - Command to obey?
 - Example to follow?
 - Sin to avoid?
- Which friends or classmates do you want me to share these scriptures with or invite to this group?

Text the group OR write down what you learned and who you will share with this week.

Pray together to end your time.
