

SUSTAINABLE MILK DISPENSERS

The Hubert Milk Dispenser is here—and we've taken the time to design a dispenser that will meet all of your daily milk serving needs.

Key Features:

- The Hubert Milk Dispenser is touchless—cutting down on the spread of germs.
- The front of the dispenser is flat, modern, and clean allowing the entire panel to be filled with magnetic signs.
- The dispenser fits 3-gallon, 5-gallon, and 6-gallon milk bags.
- Comes with a 1 year warranty.
