1. The Breeder agrees, to the best of their knowledge, that the dog purchased by the Buyer is free from any communicable diseases and is of sound body, stable temperament and is in good general health with first vaccinations and deworming, also providing a medical record indicating such.

The breeder will provide a 1 YEAR HEALTH GUARANTEE starting from the puppy's date of birth, against genetic health conditions.

The puppy owner must understand that running the puppy, allowing the puppy to jump too much during its growth time can lead to hip dysplasia, bad knees and possibly bad patellas. The owner of puppy will then void the health guarantee.

2. It is important to take your puppy to the vet within 48 -72 hrs of bringing him/her home for a complete health check. This vet visit/ record must be submitted in their original form not a photocopy within 24 hours of said that visit to WAGADOODLES NW. Failure to do so will void health guarantee. This will offer buyer peace of mind in knowing they have acquired a healthy puppy.

Common puppy ailments such as giardia, clostridia, coccidian, worms, mites, fleas, ticks, are not covered. The puppy has been examined by 8 weeks of age by seller's vet and all common puppy illnesses/issues have been addressed and preventative measures taken.

Buyer understands that seller has instructed buyer not to take puppy to public places (including, but not limited parks, neighbors, pet supply stores, puppy classes/training etc.) frequented by other puppies or dogs until the puppy has received its final rounds of shots (to be determined by a licensed veterinarian, usually 16 weeks of age). This is for the health pf the puppy and to avoid contact with areas where infected or unvaccinated dogs may have been or may be present with such illnesses/bacteria/fungus causing parvovirus, giardia, clostridia, coccidian, etc. This is to protect the puppy and to save the puppy's life. Any illness contracted from the buyer's decision not to follow these guidelines leaves no responsibility to the breeder.

3. If the dog is proven to have any genetic defect(s) that puppy may be kept, and a replacement puppy will be offered OR puppy may be returned, and a replacement puppy offered. No monetary compensation will be offered for the puppy or medical expenses incurred thus far if any. Replacement puppy will be provided when the next available pup, of equal value becomes available chosen by the breeder. All medical costs are the sole responsibility of the Buyer.

4. The puppy is purchased with a **NON-BREEDING CONTRACT**, (which will be kept on file), The Buyer agrees it is their responsibility to arrange to have said dog spayed or neutered before 7 months of age. Buyer agrees to provide Breeder with a certificate from a competent veterinarian proving the surgery was completed.

If original certificate of (spay/ neuter) has not been received by one year of age, Breeder has the right to repossess said dog to ensure its' alteration at Buyer's expense before Buyer can retain ownership.

The buyer agrees to ensure that said dog is not bred or allowed to produce a litter before they are altered. If these circumstances were to arise, breeder/seller has the right to repossess said dog and puppies as the buyer will be held in breach of contract with no refund. The said dog will be transferred back to the breeder and buyer's ownership contract will then become null/void.

5. Buyer agrees that if said dog does transfer ownership, they must notify Wagadoodlesnw for approval before doing so and the non-breeding contract will be transferred to the new owner and must remain in effect.

6. Buyer agrees that it is their responsibility to familiarize themselves with the breed of said dogs and understand the nature of the breed.

7. If Buyer has changed their mind or has found they are unable to care for said dog/pup, owner is to contact breeder. Breeder will help in assisting the owner to find a suitable home. Puppy/Dog is not to be placed in shelter.

8. Buyer acknowledges that said dogs' temperament may change with lack of proper training and discipline, or if dog is mishandled or abused.

9. Buyer agrees to provide proper nutritional requirements and to maintain a healthy lifestyle for said dog. Ensure dog lives a lifestyle that is suited to the breed.
