

In regards to complaints of noncompliance with laws relating to pupil fees, if APS finds merit in a complaint a remedy will be provided to all affected pupils, parents and guardians, that, where applicable, will include reasonable efforts by APS to ensure full reimbursement to all affected pupils, parents and guardians.

Our UCP policies shall ensure that complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation, and bullying remain confidential as appropriate. We submitted our UCP policies and procedures to our local governing board for approval and adoption (see the top of this document for final adoption date).

The person responsible for receiving and investigating complaints and ensuring our compliance with state and federal laws and regulations is:

Name or title: Shelly Lether/Executive Director
Address: 4221 North Hughes Avenue, Fresno, CA 93705
Phone Number: 559-225-7737

We ensure that the person above, who is responsible for compliance and/or investigations, is knowledgeable about the laws/programs that he/she is assigned to investigate. Complaints of noncompliance with laws relating to pupil fees are filed with an administrator of a school.

Through our APS Parent/Student Handbook, we shall annually notify in writing our pupils, employees, parents or guardians of our pupils, the leadership advisory committee, any other school advisory committees, appropriate school officials or representatives, and other interested parties of our UCP process regarding an alleged violation by a local agency of federal or state law or regulations governing educational programs, including allegations of unlawful discrimination, harassment, intimidation, bullying and noncompliance with laws relating to pupil fees. The UCP Annual Notice will be disseminated to all of the six required groups each year, through our handbook, and will include information on how to appeal to the CDE. An appeal is a request made in writing to a level higher than the original reviewing level by an aggrieved party requesting reconsideration or a reinvestigation of the lower adjudicating body's decision.

Our UCP Annual Notice shall also advise the recipient of any civil law remedies that may be available under state or federal discrimination, harassment, intimidation, and bullying laws, if applicable, and of the appeal pursuant to Education Code section 262.3. Our UCP Annual Notice shall be in English and in the primary language, pursuant to section 48985 of the Education Code, or mode of communication of the recipient of the notice.

A copy of this UCP complaint policies and procedures document shall be available free of charge.

The Responsibilities of the Person Filing (Filing a complaint with APS)

Except for Williams Complaints regarding instructional materials, emergency, or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with our Executive Director or her designee alleging a matter which, if true, would constitute a violation by our LEA of federal or state law or regulation governing a program. A complaint of noncompliance with laws relating to pupil fees may be filed with an administrator of a school under the Uniform Complaint Procedures and may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees.

An investigation of alleged unlawful discrimination, harassment, intimidation, and bullying shall be initiated by filing a complaint no later than six months from the date the alleged discrimination, harassment, intimidation, or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying. The time for filing may be extended in writing by our Executive Director or his or her designee, upon written request by the complainant setting forth the reasons for the extension. The period for filing may be extended by our superintendent or his or her designee for good cause for a period not to exceed 90 calendar days following the expiration of the six month time period. Our Executive Director shall respond immediately upon a receipt of a request for extension.

The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation, and bullying or by one who believes an individual or any specific class of individuals has been subjected to discrimination, harassment, intimidation, and bullying prohibited by this part.

An investigation of a discrimination, harassment, intimidation, and bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Except for Williams Complaints, within 60 calendar days from the date of the receipt of the complaint, we shall conduct and complete an investigation of the complaint in accordance with our UCP policies and procedures and prepare a written Decision; also known as a final report. This time period may be extended by written agreement of the complainant.

The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with state and federal laws and/or regulations.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by APS to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

We shall issue a Decision based on the evidence. The Decision shall be in writing and sent to the complainant within 60 calendar days from receipt of the complaint by the local educational agency. The Decision should contain:

- (i) the findings of fact based on the evidence gathered,
- (ii) conclusion of law,
- (iii) disposition of the complaint,
- (iv) the rationale for such disposition,
- (v) corrective actions, if any are warranted,
- (vi) notice of the complainant's right to appeal our LEA Decision to the CDE, and
- (vii) procedures to be followed for initiating an appeal to the CDE.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation and APS Restorative Justice Program or Discipline that Restores (DTR) is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.
