

CLASSROOM AND SCHOOL VOLUNTEER, VISITATION, AND REMOVAL POLICY

While Aspen Public Schools (“Board”) operating Aspen Valley Prep Academy, Aspen Meadow Public School, and Aspen Ridge Public School (“Aspen Schools” or “Charter Schools”) encourages parents/guardians and interested members of the community to visit the Charter School and view the educational program, Aspen Schools also endeavors to create a safe environment for students and staff. Additionally, parents volunteering in the classroom are extremely helpful to our teachers and valuable to our students. We thank all parents for their willingness to volunteer in this manner.

To ensure the safety of students and staff as well as to minimize interruption of the instructional program, the Aspen Schools Board of Directors has established the following procedures to facilitate volunteering and visitations during regular school days:

Definitions

- A “*visitor*” is defined as any person seeking to enter the school building who is not an employee or a current student at the Charter School. All visitors who are not parents or guardians of a student must have a specific and educationally relevant purpose for their visit and must be approved by an administrator.
- A “*volunteer*” is defined as any person who voluntarily offers and provides a service to the Charter School with Charter School approval without receiving compensation. These positions are also approved by an administrator. All volunteers must be fingerprinted and have a background check. At the principal’s request, you may have the fee waived. This fee is waived when a parent or guardian is a regular volunteer.

Volunteering

Parents or guardians who are interested in volunteering in the classroom must adhere to the following guidelines:

1. Volunteers who will volunteer outside of the direct supervision of a credentialed employee shall be (1) fingerprinted and (2) receive background clearance prior to volunteering without the direct supervision of a credentialed employee.
2. A volunteer shall also have on file with Aspen Schools a certificate showing that, upon initial volunteer assignment, the person submitted to a tuberculosis risk assessment and, if tuberculosis risk factors were identified, was examined and found to be free of infectious tuberculosis. If no risk factors are identified, an

examination is not required. At the discretion of the Aspen Schools Board of Directors, this paragraph shall not apply to a volunteer whose functions do not require frequent or prolonged contact with students.

3. Volunteering must be arranged with the classroom teacher and Principal or designee, at least forty-eight (48) hours in advance.
4. A volunteer may only volunteer in the classroom for up to three (3) hours per month unless otherwise specified by an administrator. Ultimately, the teacher must approve all visitors in the classroom. If students are assessing or taking exams, visitors must reschedule for another time.
5. Prior to volunteering in the classroom, the volunteer should communicate with the teacher to discuss the expectations for volunteering needs. Classroom volunteers are there to benefit the entire class and are not in class solely for the benefit of their own child. Classroom volunteers must follow the instructions provided by the classroom teacher or aide. Classroom rules also apply to volunteers to ensure minimal distraction to the teacher. If a volunteer is uncomfortable following the direction of the teacher or aide, the volunteer may leave their volunteer position for that day.
6. Volunteers must agree to follow and be governed by all other guidelines indicated elsewhere in this Policy. This includes, but is not limited to, the process of registering and signing out of the campus at the main office as indicated below. This is for the safety off all students, staff and volunteers.

Visitation

1. Visits during school hours should first be arranged with the teacher and Principal or designee, at least forty-eight (48) hours in advance. If a conference is desired, an appointment should be set with the teacher during non-instructional time, at least forty-eight (48) hours in advance. Parents/guardians seeking to visit a classroom during school hours must first obtain the approval of the classroom teacher and the Principal or designee.
2. All visitors (including volunteers) must check in with the main office and sign into the kiosk in the main office immediately upon entering any school building or grounds when during regular school hours. When registering, the visitor is required to provide their name, address, age (if under 21), their purpose for entering school grounds, and proof of identity.
3. For purposes of school safety and security, the Principal or designee may design a visible means of identification for visitors while on school premises. This may be a badge or visitor sticker. Please do not remove while on campus.

4. All visitors are asked to comply with current mandated and recommended health and safety protocols. Visitors (including volunteers) who demonstrate signs of a contagious disease (e.g., fever, coughing) may be denied registration.
5. If the visitor is a government officer/official (including but not limited to local law enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. Aspen Schools shall make reasonable efforts to notify parents or guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer and notes from the encounter may be maintained by Aspen Schools, consistent with the law. The Aspen Schools Board of Directors and Bureau of Children's Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General.
6. Except for unusual circumstances, approved by the Principal, Aspen Schools visits should not exceed approximately sixty (60) minutes in length and may not occur more than twice per semester. This does not include special volunteer programs that require regular attendance. This is for approved visitations and tours.
7. While on campus, visitors are to enter and leave classrooms as quietly as possible, not converse with any student, teacher, or other instructional assistant unless permitted, and not interfere with any school activity. No electronic listening or recording device may be used in a classroom without the teacher's and Principals' written permission.
8. Before leaving campus, the visitor shall return the visitor's permit and sign out of the EntrySign Kiosk.

Limitations of Volunteering or Visitation

1. The Principal or designee may seek the assistance of the police in managing or reporting any visitor or volunteer in violation of this Policy.
2. The Principal or designee may refuse to register a visitor or volunteer if it is believed that the presence of the visitor or volunteer would threaten teachers, other employees, or students with disruption or physical injury.
3. The Principal may direct a visitor without lawful business on campus to leave campus when the visitor's presence or acts interfere with the peaceful conduct of

the school's activities or disrupt the school or its students or school activities. Any visitor who is directed to leave by the Principal or designee will not be permitted to return to the Charter School campus for at least seven (7) calendar days.

4. The Principal or designee may withdraw consent to be on campus for up to fourteen (14) calendar days even if the visitor has a right to be on campus, whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt Aspen Schools's orderly operation. Consent shall be reinstated whenever the Principal has reason to believe that the presence of the person will not constitute a substantial and material threat to the orderly operation of the school campus. The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the two-week period. The written request shall state the address to which notice of hearing is to be sent. The Principal shall grant such a hearing not later than seven (7) calendar days from the date of receipt of the request and shall immediately mail a written notice of the time, place, and date of such hearing to such person.
5. The Principal or designee may request that a visitor who has failed to register or whose registration privileges have been denied or withdrawn promptly leave school grounds. When a visitor is directed to leave, the Principal or designee shall inform the visitor that if the visitor reenters the school without following the posted requirements the visitor will be guilty of a misdemeanor.
6. This Policy does not authorize Aspen Schools to permit a parent/guardian to volunteer or visit the campus if doing so conflicts with a valid restraining order, protective order, or order for custody or visitation issued by a court of competent jurisdiction.

Posted Notifications

At each entrance to the campus, signs shall be posted stating where the office is located, and what route to take to that office, and setting forth the penalties for violation of this Policy.

Penalties

1. Pursuant to the California Penal Code, if a visitor does not leave after being asked or if the visitor returns without following the posted requirements after being directed to leave, the visitor will be guilty of a misdemeanor, which is punishable by a fine of up to \$500.00 (five hundred dollars) or imprisonment in the County jail for a period of up to six (6) months or both.
2. Under California Education Code section 44811, any visitor whose conduct materially disrupts classwork or extracurricular activities or involves substantial disorder is guilty of a misdemeanor and is punishable, upon the first conviction, by a fine of no less than \$500.00 (five hundred dollars) and no more than

\$1,000.00 (one thousand dollars) or by imprisonment in a County jail for no more than one (1) year, or both, the fine and imprisonment.

3. Disruptive conduct may lead to Aspen Schools's pursuit of a restraining order against a visitor, which would prohibit the visitor from coming onto school grounds or attending school activities for any purpose for a period of up to three (3) years.

Aspen Public Schools are Community Schools and we welcome student's families to the campus. The regulations in this document are designed to keep our campus safe for all students, families and staff.
