

A public education and mobilization campaign

In 2025, you'll wake up to find yourself a criminal.

**Project 2025 has a radical anti-democracy,
anti-diversity, anti-gender agenda to:**

- ✓ systematically dismantle the federal government – a soft coup
- ✓ give the next Republic new “supreme powers” – an autocracy
- ✓ use Executive Orders to “legally” reverse many of our civil rights
- ✓ use the military to help clamp down on domestic dissent
- ✓ criminalize & erase gender & LGBTQ+ identity from government protection
- ✓ reverse racial equality, attack diversity, and reverse environmental gains
- ✓ replace secular education with Christian theocracy and a pro-life agenda
- ✓ recruit and train 20,000 conservatives for government jobs
- ✓ Use “Schedule F” to remove 50,000 civil servants
- ✓ Require government “Loyalty Pledges” to an extremist right-wing agenda
- ✓ Reverse historic US defense policy of deterrence to offense
- ✓ Require US foreign policy, USAID, to align with pro-life agenda
- ✓ ***Launch their 180-day administrative takeover on Jan. 20, 2025***
