ASSOCIATE PHOTOGRAPHERS

WEDDINGS *by the* SOUTH OF JUNE TEAM

WHY GO THE ASSOCIATE PHOTOGRAPHER ROUTE?

The South of June team is made up of professional photographers who shoot the day-of. Aysia remains the primary point of contact throughout the planning stage and personally edits and delivers the photos just as usual. All South of June associates are thoroughly interviewed, vetted and selected by Aysia.

If you decide to go the associate route, either because of availability or because you'd like to book a package with the respective associate pricing, Aysia will provide the specific associate assignment and their personal information after booking, 3-4 months before your wedding date. A group video call will be scheduled around 3-4 months before your wedding, so you are able to meet the lead photographer.

Please note: ALL work on the South of June website and Instagram is a compilation of weddings and sessions shot by both Aysia AND the team.

WEDDINGS

Invest in what lasts. The flowers, the food, the lights and one day, even the memories will fade; they're tethered to time. Photographs won't, they're evergreen.

A LA CARTE MENU / PACKAGE ADD-ONS

1 HR PHOTO SESSION (WHEN BOOKED AS A STANDALONE SESSION OR ADD-ON) // \$ - INQUIRE FOR PRICING

Within Southern CA. If your shoot takes place outside of San Diego or Orange County, travel fees will apply (see TRAVEL FEES page).

Pricing for associate: \$-Inquire for pricing

SECOND SHOOTER // \$ - INQUIRE FOR PRICING (MINIMUM 4 CONSECUTIVE HOURS)

An extra eye and camera to get more angles & help make it almost possible for me to be in two places at once. We can talk through & decide if a second-shooter add-on could be best for you and your wedding day!

EXTRA LAST-MIN HOURS OF COVERAGE // \$ - INQUIRE FOR PRICING

Additional last minute hours purchased only apply to the lead photographer on the day/of IF available. A package upgrade may be required if your hourly addition equals the total number of hours included in that of a higher package.

FILM PHOTOGRAPHY // \$ - INQUIRE FOR PRICING

(I recommend around 3 rolls for an 8 hour wedding. 1 roll for couple shoots)

REHEARSAL DINNER COVERAGE UP TO 2 HRS // \$ - INQUIRE FOR PRICING

If I am available or my team is available. Additional travel fees will be required if rehearsal or pre-wedding event is outside of San Diego or Orange County (consider mileage or a local overnight stay; to be discussed).

- This coverage consists of mostly candid photos, some group photos, and bride+groom photos if desired.

TRAVEL FEES

WITHIN SOUTHERN CA (BUT OUTSIDE OF SD & OC)

- If your shoot or wedding is outside of San Diego County or Orange County **but within** Southern California, custom travel fees will apply. This is directly based on roundtrip mileage according to the current CA standard mileage rate, lodging if timeline surpasses 8pm and/or towards airfare and other costs if necessary (i.e. parking fees, special permits, etc).

OUTSIDE OF SOUTHERN CA

- Travel fee is a flat \$ amount **for any bookings outside** of Southern CA but within the United States. Southern California includes Santa Barbara and everything south down to the Mexico border.
 - This flat fee covers potential airfare or gas/mileage, lodging, food, potential car rental, insurance, time spent traveling, and other costs.

NO TRAVEL FEES

- If your wedding falls within San Diego or Orange County, no travel fee applies.

DO WE NEED A SECOND SHOOTER?

While one photographer can more than handle a wedding day solo, I recommend second photographers for larger weddings, OR for when couples are getting ready separately and the timeline doesn't allow the lead photographer to be with them both. Second shooters can provide another perspective to your day and an alternate angle of most situations. We can chat more about this option on a consultation call.

CAN WE HAVE ACCESS TO RAW FILES?

We don't send any un-edited/raw files. Most of the magic happens during the editing process, so without that step your photos are only halfway done!

DO YOU HAVE INSURANCE?

Yes! We have insurance for every wedding. If your venue requires this, let us know and we will send them the COI.

HOW MANY IMAGES CAN WE EXPECT?

For weddings, we shoot roughly 80-100 photos per hour of coverage. For engagement sessions, you will receive no fewer than 200 photos.

WHAT SHOULD WE WEAR FOR OUR PHOTOS?

Whatever you feel most comfortable in that represents you well as a couple!! I'll share a pinterest board with ideas if you booked an engagement session.

I DON'T KNOW HOW TO POSE IN PHOTOS - HELP!

This is our job! We're pros when it comes to posing and keeping you guys looking and feeling relaxed and natural, all while having a ton of fun. We promise, you have nothing to worry about here. P.S Everyone thinks they're going to be "awkward," no one ever is.

I'VE NEVER DONE THIS WHOLE WEDDING THING, ANY ADVICE FOR GETTING THE BEST PHOTOS OUT OF MY DAY?

Yes! In fact, we have an entire Wedding Handbook that I'll send you full of tips to set yourself up for the best photos ever. We'll also help you with photo timeline if needed, to make sure the day runs seamlessly and we have time for all the photos you'll ever need.

HOW MUCH IS THE RETAINER?

50% of the collection price is due at the time of booking. The rest is due 1-month before the wedding date. Payment plans are optional!

DO YOU BRING BACKUP GEAR?

Yes, always!

WHAT DO WE DO IF IT'S RAINING AT OUR SESSION?

We love the rain as long it's not a total downpour! Granted, if it is raining, we are happy to reschedule your shoot should you desire to. If the forecast is simply for gloomy weather and you wish to reschedule, then a rescheduling fee will be required.

DO YOU TRAVEL?

Absolutely. Please see travel information on the TRAVEL FEES page and we can chat more about it via email or a call!

CAN WE SEE A FULL WEDDING OR PORTRAIT GALLERY?

Yes! You will receive or have received a bunch in our initial email.

CAN WE MEET YOU BEFORE OUR WEDDING?

Yes! Happy to schedule a video call. If you're booking as associate, we will schedule a group call with them after you have booked.

HIRING SOUTH OF JUNE WAS THE BEST DECISION WE COULD HAVE MADE

“Stop looking for a photographer! I cannot recommend Aysia and her team enough, she is seriously AMAZING. Due to a family emergency, my wedding plans were absolutely destroyed, but the light at the end of the tunnel was finding South of June who jumped on board shooting our small, intimate ceremony/elopement in the middle of nowhere at my grandparents' ranch. Not only was Aysia easy to work with, flexible, and open to all of my wild ideas, but she and her team are so so talented. I have never seen my family's ranch look so magical and beautiful, the perfect setting for a wedding. She and her team have a natural talent when it come to photography and my husband and I have just been amazed looking at our photos. It is so hard to choose our favorites because there are so many!”
