Mission Statement

We preserve and restore the natural environment for the benefit of future generations through hands-on activities, community engagement, and environmental education bringing harmony to all life.

Short History

- 2009 - Grassroots founding of an Environmental Community Service Program
- 2012 - New name and greater scope - We Plant it Forward
- 2019 - Begin Native Tree Seed Collection to preserve tree biodiversity
- 2021 - First Arbor Day Festival
- 2022 - Brought over 10,000 trees in the community
- Today - Impact: more partnerships, more trees in the ground, protecting tree biodiversity!

**Over 12,800 trees
brought to the
community since
2012.**
