

YACHT CLUB ACTIVITIES

As the Costa Palmas Yacht Club comes to life, our goal is to encourage and foster interests in all aspects of yachting and water activities. Be a part of a community of like-minded individuals with the same interest, skills and passion. Connect with other yacht lovers who love to spend time at sea and enjoy the comfort and adventure of their yachts.

MORNING SNORKEL CRUISE

From tropical fish to unique rock formations, there's a whole world beneath the surface of the Sea of Cortez. Our dedicated captains will guide you to the very best of Baja's secret snorkeling spots.

- Recommended 3-hour charter
- Great for families
- Recommended age: 7 years old +

SPORT FISHING SUNRISE & SUNSET

Fishing in Baja, known as the marlin capital of the world, is a year-round sport that generations of families and friends can enjoy. Here in the home of world-famous off-shore fishing tournaments, you can do battle with plentiful wahoo, grouper, dorado, tuna and sailfish. Strict tag-and-release protocols ensure that sport and environmental concerns do not conflict.

- Recommended 4-hour charter
- Great for adults, families and kids of all ages

CABO PULMO DAY

Cabo Pulmo is a Mexican National Park, a UNESCO World Heritage Site and a Ramsar Wetland of International Importance—a decade of activism by the local and international communities has created and protected one of the richest underwater sanctuaries in the world. Just 40 minutes from Costa Palmas, Cabo Pulmo offers divers access to more than 800 varieties of fish and 2000 species of marine invertebrates, more than anywhere else in the Sea of Cortez. This is a truly unforgettable experience.

- Recommended 5-hour charter
- Scuba diving training sessions available
- Great for adults and teens who are experienced swimmers
- Recommended age: 7 years old +

SPEAR FISHING

Unquestionably the most thrilling way to hunt and catch a fish. Spear fishing is a skill and a sport that humankind has practiced for thousands of years. We offer reef spear fishing for those who want an introduction to underwater hunting, and deep blue water spear fishing for experienced fishers.

Reef fishing is a half-day excursion to our closest reef where we'll teach you safe diving techniques, local fishing laws and essential hunting skills—enough basics to help many beginners be successful the first time out.

Blue Water spear fishing is for advanced fishers who want to target a specific species, particularly our tuna, marlin, wahoo or dorado. For an intermediate or more experienced fisher, this is a bucket-list underwater hunting experience.

- Recommended 5-hour charter
- Great for adults and teens

WHALE WATCHING (SEASONAL)

The coastal area at the tip of the Baja Peninsula is a sanctuary for humpback and gray whales and their offspring. Their majestic presence can be admired from mid-December to mid-April, and for many families, watching whales has become a cherished annual tradition.

- Recommended 3-hour charter
- Great for adults, children and teens

SWIMMING WITH WHALE SHARKS IN LA PAZ (SEASONAL)

Swimming with whale sharks, the biggest fish in the world, is an extraordinary, otherworldly experience. These gentle giants of up to 41 feet and 47,000 pounds live in the open waters of tropical oceans and feed almost exclusively on plankton. Whale sharks visit La Paz every year from October to April.

This charter will teach fascinating facts about whale sharks, and your certified guide will explain the regulations for snorkelling safely with the mammoth creatures.

A full day charter is recommended for this excursion if you would want to leave from Costa Palmas. Alternatively the departure will be from La Paz and we will organize a driver to take you there and back.

- Subject to availability, as time slots are regulated by the National Marine Park
- Great for adults, children and teens

SUNSET CRUISE

Experience the breathtaking beauty of a Baja sunset while cruising on a luxurious yacht. Immerse yourself in the tranquility of the ocean as the sun gently sets in the horizon, painting the sky with a vibrant palette of colors.

- Recommended 2-hour charter
- Great for adults, children and teens

To ensure a smooth experience, it is highly recommended to make a reservation at least 48 hours in advance. This will allow us to better accommodate your needs and ensure that everything is prepared to your liking. By booking in advance, you can secure your preferred time slot and avoid any potential last-minute inconveniences.
