TCS EDGE | e-Learning Buying Guide

ABOUT

TCS EDGE (EMPOWER | DISCOVER | GROW | EXCEL)

is brought to you by The Cee Suite, a M/WBE Certified Talent Management Consultancy.

Our learning programs are for individuals and organizations who want to promote social progress, champion equitable and inclusive workplaces and grow effective leaders. Each course introduces core concepts and frameworks, explores equity and inclusion strategies and practical workplace solutions, and includes activities, resources and quiz questions to test your understanding.

Discover

Ground your learning with foundational team building and DEI frameworks.

Apply

Practice skills and behaviors to support people management, hiring practices and more.

Disrupt

Develop strategies for building equity across social identities and lived experiences.

All courses are included with your membership. Complete courses to enhance your learning journey, and/or upgrade to our blended learning options to deepen development.

FREQUENTLY ASKED QUESTIONS (FAQs)

8. How long do I have access to the materials?

You will have membership and access to the entire TCS EDGE catalog and related course materials for one full year.

9. Can I access the course after I have completed it?

Yes, you will have membership and access to the course materials for one full year, even after you've completed the course. You can refer back to the materials at any time within the year.

10. Can I download the course materials for offline access?

Yes, you can download select course materials, such as exercises and resource sheets for offline access. The option to download select materials will be available within the course modules.

11. If someone leaves the company, can we swap out the seat/user email?

We do not allow swapping of user emails/seats.

12. Can team members complete the course at their own pace, or is there a deadline?

Yes, team members can complete the course at their own pace. Learners have membership and access to their purchased courses for one year and each team member will have their own login to access the TCS EDGE course materials. Any other deadlines for completion would be those imposed by an employer.

13. How do I manage technical issues with the course?

Learners on the Individual and Teams plans can access Teachable's robust troubleshooting resources for any technical issues.

Learners on Enterprise plans will also have access to dedicated customer support, and will be assigned a TCS EDGE user experience manager upon contract execution.

14. What is your refund/cancellation policy?

Courses are non-refundable.
