Policy Summary: This policy describes the Accreditation Commission for Acupuncture and Herbal Medicine (ACAHM or Commission) authority to access relevant data collected and managed by ACAHM-accredited and pre-accredited (candidate) institutions/programs.

As a condition of participating in ACAHM’s accreditation processes, institutions/programs are expected to timely, accurately, and fully comply with ACAHM requests for data necessary to validate compliance with ACAHM’s Comprehensive Accreditation Standards and Criteria and the quality of the institution/program in areas including but not limited to:

1. Success with respect to student achievement in relation to the institution’s mission, program’s statement of purpose, goals and learning outcomes including, as appropriate, consideration of course completion and certification/licensing examination pass rates¹.
2. Legal and regulatory compliance.
3. Decision making, including minutes from meetings of governing board, administration, committees, faculty.
4. Recordkeeping, including education, personnel, and medical records.
5. Recruiting and admissions practices, academic calendars, catalogs, publications, grading, and advertising.
6. Student support services.
7. Record of student complaints.
8. Curricula.
9. Measures of program length and the objectives of the degrees or credentials offered.
10. Faculty and personnel qualifications.

¹ ACAHM receives certification and licensure examination pass rate data directly from the relevant examination authority to ensure that the Commission has access to reliable data.
11. Facilities, equipment, and supplies.

12. Fiscal and administrative capacity as appropriate to the specified scale of operations.

13. Record of compliance with the institution's program responsibilities under Title IV of the Higher Education Act of 1965, based on the most recent student loan default rate data provided by the Secretary, the results of financial or compliance audits, program reviews, and any other information that the Secretary may provide.

ACAHM manages all confidential information (including but not limited to HIPAA and FERPA protected information, personnel information, personal and sensitive personal information) provided by Institutions and Programs as part of their accreditation process as outlined in ACAHM’s Site Visit Manual, Confidentiality and Non-Disclosure Agreement, and Code of Conduct and Professional Ethics Guide.
