### **FEE AGREEMENT and GOOD FAITH ESTIMATE**

#### **No Surprises Act**

In compliance with the No Surprises Act that went into effect January 1, 2022, all healthcare providers including psychiatrists and therapists are required to notify patients of their federal rights and protections against “surprise billing.” The purpose of the Act and of this document is to protect you from unexpected medical bills.

This Act requires that we notify you of your federally protected rights to receive a notification *when services are rendered by an out-of-network psychiatrist or therapist (as we often are), if you are uninsured, or if you elect not to use your insurance.*

In case any of these situations apply to you, we are required to provide you with a “Good Faith Estimate” of the cost of services to you. Doing so is particularly challenging in mental health care because it is difficult to predict the length of treatment and because patients have a right to decide how long they want to participate. Therefore, we describe below the fees that typically apply for the types of services we offer, including for your condition. Going forward, we can collaborate on a regular basis to determine how many sessions you may need.

As per our terms and our patient/provider agreement, all patients agree to pay the full rate unless otherwise negotiated before treatment begins or if in-network in which case they agree to pay their co-pay or co-insurance amounts and meet any necessary deductibles. If no payment is presented at the time of treatment, payment will be billed to the credit card we have on file. After the initial consultation, regular follow-ups are scheduled depending on clinical needs. If you are seeing one of our psychiatrists, then depending on your treatment plan and clinical discretion, the frequency of medication management appointments may range. Note that these rates will remain in effect for at least a year from the start date of treatment and in the event of a fee increase after that time, a new Fee Agreement will be presented.
