

RETAIL COLLECTION

^Mkro **INFINIKEY**

DEVELOPED BY MKRO
MANUFACTURED BY INFINIKEY

The best way to bring your brand onto everyone's desk.

Custom keyboards are finally viable as mainstream retail products and Mkro has developed the first infrastructure for brands to design and produce keyboard products for their brand releases.

Since launching the Team Liquid x Infinikey collection in 2020, we have helped grow bespoke desk products from a niche hobby to the leading retail category for tech and gaming brands.

Join Valve, Pacsun, RIOT Games, Crunchyroll, and more global brands as they leverage a new generation of designed peripherals for their retail and brand-building strategy.
