

RING SIZE

find your perfect fit

1. Print this page on A4 paper at 100% scale.
2. "Fit to page" should **not** be checked.
3. To validate the page has been printed correctly, check the ruler below.
It should fit **perfectly**.
4. Check your size **3 to 4 times**, during the day, when your hands are **warm**. This eliminate an erroneous reading.
5. If you're in between two sizes, opt for the larger of the two.

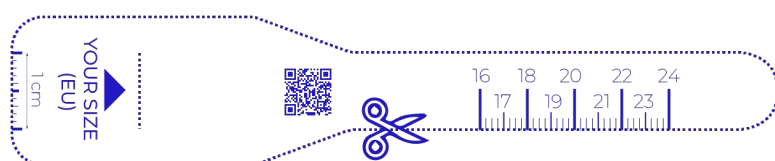

Option 1: Measure a ring

Use a ring that fits perfectly. Place it on the circles below until you find one where the **inside of the ring** lines up with the outside of the circle.

Option 2: Measure your finger

1. Cut out the **sizer** below, adding a slit where indicated by the arrow.
2. Wrap the sizer around your finger, placing the thinner end into the slit.
3. The paper should feel snug around your finger, but comfortable enough to fit over your knuckle.
4. **Read the ruler** for your size.

BRACELET SIZE

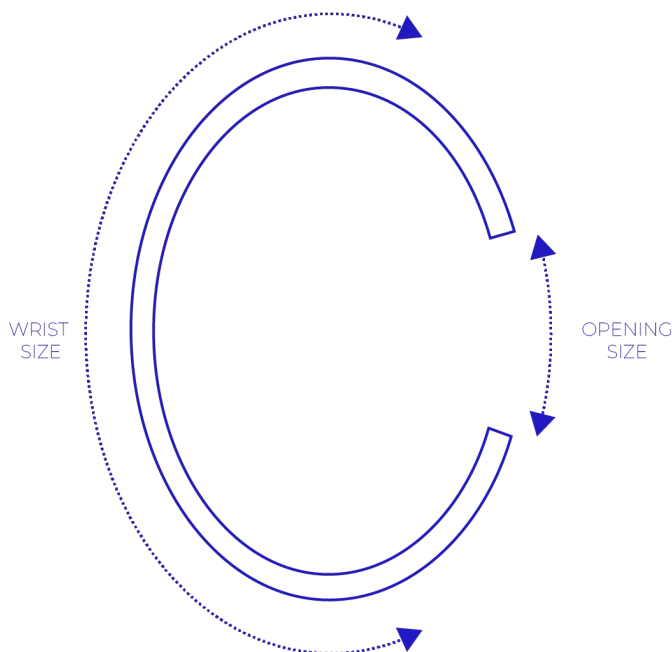

find your perfect fit

Print this page

1. Print this page on A4 paper at 100% scale.
2. "Fit to page" should **not** be checked.
3. To validate the page has been printed correctly, check the ruler below. It should fit **perfectly**.

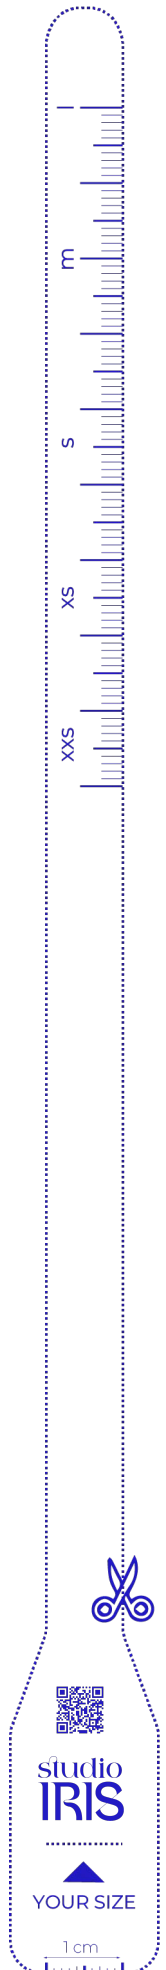

Measure your wrist

1. Cut out the sizer provided, adding a slit where indicated by the arrow.
2. Wrap the sizer around your wrist, placing the thinner end into the slit.
3. The paper should feel snug around your wrist.
4. Read the ruler for the amount of millimeters.
