

LOOKING TO TAKE ACTION TO SUPPORT A FREE PALESTINE?
TIRED OF ASKING, "WHAT CAN I DO?"
TURN YOUR THEATER INTO AN **APARTHEID FREE ZONE!**

Apartheid Free Zones are spaces fully divested from companies and institutions complicit in Israel's crimes. AFZs also boycott any cultural products, projects, and events that promote or legitimize the Israeli apartheid.

The AFZ campaign is part of the **Boycott, Divestment, and Sanctions (BDS) movement**, a form of nonviolent direct action meant to pressure Israel into complying with international law.

As theater workers, we know the power that culture and community has to create shared meaning, to redirect apathy into action, and renew the spirit to fight for a better world. Use your power to create a space that nurtures Palestinian solidarity and uplifts the international movement for justice!
