People & Mission

- **People** are key to moving people
- Partners, staff, riders, residents... **everyone**
- DPM will be a significant part of a **great experience** in Detroit, every day
- Elevating our brand and image helps **connect**

MISSION STATEMENT

The Detroit People Mover is downtown's automated transit system which provides accessible public transportation, plays a significant role in the attraction of conventions and tourism, and serves as an iconic, elevated steel ribbon tying together businesses, entertainment and the community while creating an experience that is safe, reliable and memorable.
