READY FOR A CHANGE UP?

Step up to the plate with Emmy Award-Winning Broadcaster Joel Goldberg, whose career interviewing baseball's most elite players was made possible with one essential skill: **Winning Trust**.

For you and your team, **Winning Trust** is the difference between sufficient relationships and exceptional ones. It's what transforms a great product into one loyal brand ambassadors are eager to endorse. And it's the secret to an emotionally intelligent workforce that knows exactly how to turn every interaction - including the most high stakes ones - into a home run.

Using captivating, firsthand stories of **Winning Trust** from baseball's most untouchable players, Joel shares critical practices that will advance your team to the next level of success.

THE PLAYBOOK INCLUDES:

- Why small, daily gestures of trust will always win
- New and motivational ways to build trust
- How to keep trust once you've earned it
- Tactics for lasting, impactful communication
- Actionable steps to score incredible outcomes by **Winning Trust**
