

Ordering and Refuelling Procedure

Please read below the procedure for ordering fuel and using the refuel rig.

Before an Event:

If you have not registered as a customer with Euro M-Sport, firstly please fill out a Fuel Registration Form, which is available at www.eurom-sport.com under Fuel Ordering.

Before any event you are competing in, contact us via fuel@eurom-sport.com, informing us of the amount and type of fuel you require.

If you do not have a payment method on file with us, you will have to prepay for the amount you order.

During an Event:

At each refuel zone, you will enter the refuel tents and specify the amount and type of fuel needed.

Competitors will exit their vehicles and vacate the refuel tent during the refuelling procedure.

After refuelling has been completed, Competitors will sign the refuel log, enter their vehicle and leave the refuel zone.

After an Event:

If you have a payment method on file with us, payment for the actual litres used will be taken on the Monday after the event. An Invoice will be sent to your chosen email address.

If you have prepaid and not used the total amount paid for (for example a mechanical retirement), this will be credited to your account. An Invoice and Credit Note will be sent to your chosen email address.
