# CASCADE KITCHENS

FOOD HALL AND COMMISSARY  
KITCHEN | 11'800 SF |  
OPENING WINTER 2024

1030 Tata Lane, South Lake Tahoe  
California, 96150

# A NEW COMMUNITY DINING EXPERIENCE

---

**Cascade Kitchens** will be the first food hall of its kind in **South Lake Tahoe**, set to open in winter 2024. Incorporating a commissary kitchen, space for several food trucks, private event spaces, and a bar, the project will provide a welcoming and communal gathering location in which to highlight the culinary delights of vendors and artisans from our local region and beyond.

Whether local or a visitor to the area, the mission of Cascade Kitchens is to create a family-friendly environment with a focus on building community centered around food, open through every season of the year.

# GATHER, EAT, CELEBRATE

The food hall and commissary kitchen will be two components of a larger plan for the redevelopment of the current site, located at **1030 Tata Lane** in **South Lake Tahoe**. The building is currently undergoing renovations both internally and externally to include vendor stalls, a grab-and-go marketplace, onsite bar, food truck parking, indoor and outdoor dining areas, and a private event space.

The project is being managed and operated by **Hospitality HQ (HHQ)** with direction and support from owners, **Alpine View Investments**.
