*A NEW APPROACH
TO COMMUNITY SAFETY
& WELLNESS*

PAD promotes a new approach to community safety and wellness by reducing police involvement in issues related to quality-of-life concerns and by increasing the accessibility of supportive services. We engage in creative problem-solving to respond to community concerns, and addressing people's human needs with dignity, patience and care. PAD provides an alternative to criminal justice involvement through two core strategies:

1. Community Response Services: We partner with the City of Atlanta's 311 non-emergency services line to accept community referrals for issues of concern related to mental health, substance use or extreme poverty.

2. Diversion Services: We accept pre-arrest diversion referrals from law enforcement to provide an immediate alternative to arrest for individuals experiencing substance addiction, mental health concerns, or extreme poverty. We also accept post-booking diversions from the Fulton County Jail and Atlanta City Detention Center.

Our Care Navigation Team provides housing support, case management, and legal navigation for individuals who have been diverted by law enforcement or have an open and eligible criminal case in the City of Atlanta or Fulton County. We provide case management assistance to our participants for as long as they need assistance. We aim to build relationships to support our participants in achieving their goals for more stable and healthy lives.

"I am so grateful for the support I received from Victoria, my care navigator at PAD. She helped me move from an unstable living situation to a safe environment with my two young daughters during a difficult time. As a single, stay-at-home mother and full-time student, it was hard to navigate legal and financial challenges, but Victoria provided a lot of help and ensured I wasn't alone in facing them."

In celebration of Pride Month in June, PAD staff Terry and Kayla attended the 10th annual Southern Fried Queer Pride Festival and Community Market held in Little Five Points. This was a fun opportunity to raise awareness of PAD's services alongside many Black and Queer-owned small businesses and other local service providers. This event was filled with fun, food, music, and a deep sense of togetherness and community. We engaged over 30 people to sign up for our newsletter, follow us on social media, and explore PAD's upcoming volunteer opportunities!
