Needed Apps (click icon to download)

At the Punta Cana Airport

- When you arrive at the Cancun airport, get your baggage and proceed through customs.
- Luggage at the Punta Cana airport takes longer than expected often (estimate 30-40 minutes)
- Then head outside to ground transportation and look for the Amstar reps in blue floral shirts holding Threefold signs.
- Finally, you'll have a 45 minute ride to the resort.

Issues or Questions While Traveling?

You'll be provided with a 24/7 flight helpline
