To ensure that we are capturing the true value of the non-monetary donations provided to us, Project Healing Waters Fly Fishing, Inc. (PHW) Headquarters (HQ) requests that the donor or our volunteer fill in the information below as applicable, and to the fullest extent possible at the time and point of receipt. Please send the form to HQ at donate@projecthealingwaters.org. HQ will send an In-kind tax donation and thank you letter to the donor for his records.

Please note that in-kind donation of services is typically not tax deductible to the donor, but the information on the donation is very important to us.
