

NATIONAL MALL GATEWAY

EXPERIENCE HISTORY.
INSPIRE THE FUTURE.

Launching in Fall 2025

ABOUT THE NATIONAL MALL GATEWAY

The **National Mall Gateway** is a first-of-its-kind digital and onsite learning platform that transforms America's most iconic public space into America's greatest living history classroom.

Developed by the Trust for the National Mall, in partnership with the National Park Service and with support from visionary funders, the National Mall Gateway is a dynamic resource for educators, students, families and visitors that offers new ways to explore the people, places and principles that have shaped American democracy and history.

Inspired by **America's 250th anniversary** coming in 2026, the National Mall Gateway will meet the growing demand from millions of visitors from around the world who want to experience the National Mall. It will invite the public to connect more deeply to the history behind this national treasure, understand the foundations of American democracy and grow as informed, engaged citizens. As America celebrates the historic 250th anniversary of the Declaration of Independence, the Gateway offers a powerful way to honor our history while shaping the nation's civic future.

EXPLORING THE GATEWAY

WHAT YOU'LL FIND

Interactive Map & 360° Tours: Experience the monuments and memorials, almost like you can reach out and touch them from anywhere in the world, through expansive multimedia content that reveals the stories behind the stone.

Educator Resources: Access content, classroom tools and virtual field trips designed to bring civic learning into every school.

Immersive Storytelling: Explore the timelines, movements and milestones that reveal the stories that helped shape our democracy.

Curated Itineraries: Build personalized learning journeys for students, families and visitors—whether they're exploring from home or walking the National Mall.

WHO IT'S FOR

Educators & Students seeking meaningful, accessible civic education and history tools.

Families planning visits for America's 250th or exploring from afar.

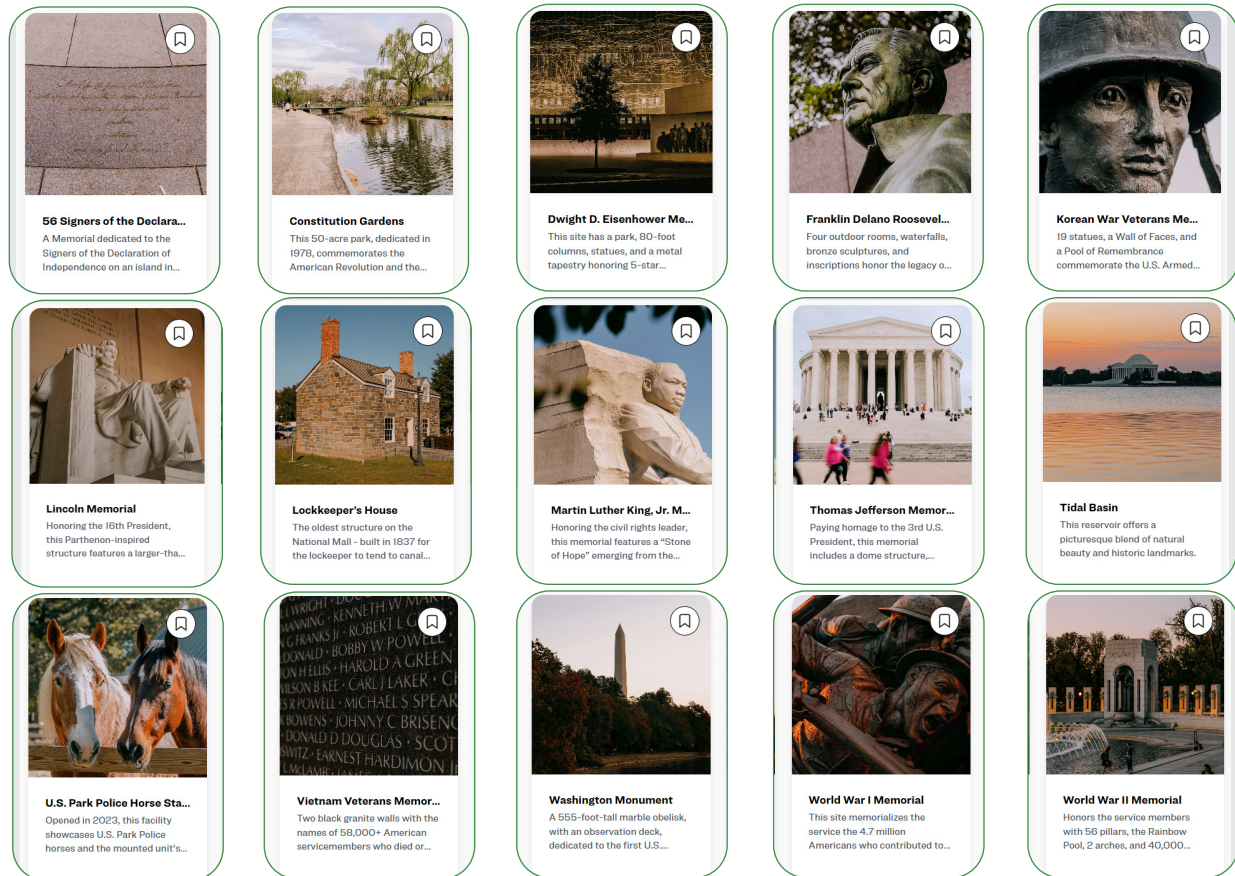

Visitors & Tourists who want to go deeper into the stories that define our democracy.

Partners & Donors who believe in expanding access to the National Mall beyond its concrete borders.
