

Whaly 310

Length: 10'2" Width: 5'8" 232 lbs 15hp

Sailing Practicality

- The Whaly 310 serves as an excellent dinghy or tender for smaller yachts and for those who enjoy leisurely cruising.
- It is an ideal choice for dinghy docks that have length restrictions.
- The interior is cozy, offering minimal cargo space.
- The Whaly 310's size and weight make it convenient to transport in the back of a truck or securely fasten on the roof of a vehicle.
- The size and weight make it convenient to transport in the back of a truck or securely fasten on the roof of a vehicle.
- NOTE: due to smaller size (and weight distribution) this model is harder to get on plane.
- Constructed from HDPE, it is naturally buoyant and fully recyclable.
