

NFS Challenge Local Investment Chart

The NFS Challenge is an optional Child Nutrition Programs initiative currently open to School Food Authorities (SFAs) that administer the National School Lunch Program and School Breakfast Program.

SFAs interested in participating in the NFS Challenge will pledge to spend the dollar value of federal funding they were projected to receive through the [Local Food for Schools Program](#) for the 2025-2026 school year. This pledge value can be found below and is based upon school lunch participation data from October 2024.

The pledge value provided in the NFS Challenge Local Investment Chart is a goal – all efforts to work toward this goal will be impactful and celebrated, regardless of whether an SFA is able to meet their pledge by the end of 2026. Moreover, we happily encourage SFAs to pursue a local food system investment above and beyond the pledge value outline below.
