

## \$10 PREMIUM SHINE

This service preserves and lightly protects the leather. We remove the old polish and dirt, then apply shoe cream and wax—buffing out minor scuffs, scratches, and imperfections. We condition the leather to prevent cracks, and finish with edge dressing.

## \$35 RESTORATIVE CLEAN & WEATHERPROOFING

This process removes salt and dirt stains and offers substantial protection from dirt, rain, and snow. We start by thoroughly cleaning the shoes. We shine them and apply a coat of weatherproofing to protect the shoes from inclement weather.

## \$35 SNEAKER CLEAN

We shampoo the sneaker to remove dirt and stains and follow with a conditioner to bring the fabric back to its original condition. Lastly, we weatherproof the sneaker for protection from dirt and moisture.

## REPAIRS
